

Where we can play at school

By Darcie, Ruben,
Alby and Lucas from
MAH

Developmental play shed

You can borrow some toys from the developmental play shed.

Then you can go and play with them.

You can ask your friends if they would like to play too.

The Oval

You can play on the oval in Term 2, 3 and 4.

You might like to play footy, tiggy or any other game.

The Multiage Playground

The playground is fun because you get to spend time with your friends playing.

In the multiage playground we have three climbing frames.

Soccer pitch

On the soccer pitch you can play soccer.

There are heaps of kids on the soccer pitch.

Multiage kids have a special time to go on the soccer pitch.

Thank you for watching!
